Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Okay to film at Cheviot Hills on 10/9/2012.
- Okay to film in the back adjacent to picnic area and Petanque courts.
- Ok to set up freestanding tables and chairs on the grass.
- Ok for freestanding tents only.
- **Company may not stake or dig at any time.**
- Ok to park in the northeast lot closest to Motor Ave.
- Ok to setup for catering in the north east parking lot.
- Ok to park 5 working trucks on the north side of the back parking lot.
- Ok to park a generator and craft services along the south side of the back lot to the east of the parking stalls (unmarked parking area).
- May not double park trucks in the back lot.
- No vehicles or heavy equipment on the grass.
- May not block or restrict access in the back lot.
- City employees have the right of way at all times
- Must maintain access at all times and maintain thoroughfare.
- May not block or restrict access into parking lots.
- Must maintain access thru parking lot at all times.
- No ITC until after 3pm.
- Production Crew is not allowed to park in Handicap spaces without a placard.
- Cannot impede park patrons from park activities.
- Cannot interfere, prevent, or clear park patrons from the location of filming.
- May not drive on any park service road or grassy areas unless approved.
- Production Crew must watch for sprinkler heads and valve boxes in the grass.

NOT A PERMIT

- Must work around maintenance activities.
- Must maintain access thru parking lot at all times.
- All shuttle vans must not block any road, driveways, pathways or entrance to maintenance yard at any time. Even when waiting to drop off or pick up people.
- May not un/load, in any curb area painted red. May not park on service road leading to back maintenance yard due to too much employee activity throughout the day.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- **A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.**
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if

NOT A PERMIT

needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.

- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
